Medical and Financial Information Authorization Release

In general, the Health Information Portability and Accountability Act (HIPAA) privacy rule gives individuals the right to request a restriction on uses and disclosures of their protected health information (PHI). The individual is also provided the right to request confidential communications or that a communication or PHI is made by alternative means, such as sending correspondence to the individual's office instead of the individual's home. We will release information **ONLY** by the means you authorize in this form. We will take reasonable steps to limit the use or disclosure of and requests for PHI to the minimum necessary to accomplish the intended purpose. These provisions do not apply to uses or disclosures made pursuant to an authorization requested by the individual. We will keep a record of all PHI disclosures. Uses and disclosures may be permitted without prior consent in an emergency.

Financial and Insurance Requirements

- Effective October 1st, 2017 each patient will be asked whether or not their annual deductible and out of pocket have been met for the current calendar year. If it ***has not*** been met for the current calendar year we will ask for your co-pay. If you do not know your co-pay amount and it is not printed on the front of your insurance card, we will collect a fee of $60. Full payment is expected at the time of visit.

- It is the patient's responsibility to know if their out of pocket and annual deductible are met for the current calendar year. Once the claim has been processed by your insurance and it is found you have over paid, we will issue a refund for the overpayment. Refunds are issued on a monthly basis.

- If you are covered by Medicare or Veteran services, we will **not** collect payment for today's visit. We will bill your insurance for you

- If you are an ***adult*** covered by Medicaid you will be charged $2.45 for today's visit and we will bill your insurance for you. If you are ***under 18*** and covered by Medicaid, we will bill your insurance for you.

- We can extend a payment plan to you if you have need. Please discuss this with provider before services are rendered.

- All cosmetic patients are considered cash-pay patients as none of the procedures for cosmetic treatments are eligible for insurance billing. Payment is expected at time of service.

- If you are considering BioTE® treatments through Health Optimization LLC, be advised that these services are rendered through a separate company, which does not have any contracts with any insurance companies. Services rendered for Health Optimization LLC are not eligible for insurance billing. Payment for services rendered through Health Optimization LLC are expected at time of service.
